

WARNING! WARNING!

This Shipment is in VIOLATION of Section 8e of the Agricultural Marketing Agreement Act (AMAA) of 1937!

In order to comply with the law you must do the following:

What to do

- A. **Recondition** the shipment that currently fails 8e import requirements and have it re-inspected, including the dumping of any culls.

OR

- B. **Re-Export** load.

OR

- C. Send to **exempt use**.

How to document it

- A. USDA, AMS quality inspection certificate(s) for all units meeting 8e import requirements and a dumping certificate for all dumped units. All inspected and/or dumped units must equal original volume.
- B. Customs Form 7512 with Customs date hole punch stamp, or a Pedimento (Mexican import document) with a paid freight bill showing destination and quantity of product.
- C. Have proper FV-6 (or Raisin No. 1 or Prune No. 1) form completed and returned to USDA, MOAB, Compliance Team. Visit our website for a listing of acceptable exempt uses for each commodity.

A copy of this failed inspection will be forwarded to the USDA, AMS, Marketing Order Administration Branch (MOAB), Compliance Team, which will follow-up to determine the failed product's disposition. If the violation is not handled as listed above, you may be subject to one or more of the following:

- A. U.S. Customs demand for redelivery or liquidated damages for three times the value of the import.
- B. U.S. Customs denial of entry for this shipment as well as future shipments.
- C. \$1,100 penalty per violation, each day the violation occurs.
- D. Civil forfeiture of the present market value.

Please mail a copy of the failed inspection certificate stapled to the appropriate documentation of its final disposition to:
